ANNUAL REPORT 2015

Ladies and Gentleman

It is with pleasure that I present for your consideration the 67th Annual Report and Financial Statements.

Twelve months ago when I was elected to the role of NZIB President following the retirement of Martin Nordqvist I was in no doubt of the enormity of this role at the present time for the game. This past year has been both exciting and rewarding from witnessing some great games of bowls at both international level and at our national events and the challenges as administrators of the game to maintain the link to our districts and members.

The challenges that the Executive face to sustain our game, maintain the interest of the very wide range of people that participate in the game at the many levels and continue to provide the opportunities for competition that the game provides is daunting.

We also face challenges from a financial aspect with a review of the way Sport NZ provides funding to us through their new Community Sports process. The outcome of the pending funding application will not be known until mid-December which creates uncertainty and other gaming funders are supporting regional rather than national requests.

The discussion paper on the future direction has received many and varied responses. It will be the subject of discussion at the Annual Meeting from which the members present will be asked to set the direction for the future.

In my first year as President I have attended all of the National events. The initial event was the International held in Tauranga and I was impressed with the way our Mat Blacks performed to hold off a spirited challenge from Australia to take out the match 38-28. South Canterbury IBA hosted a fantastic nationals in June. The introduction of the masters events added a new dimension to the event and looks likely to grow in the future. Thanks to all those districts that hosted national events. With the rising cost of travel the opportunity to move these events around the country is becoming less viable. I also joined the South Island Team in their tour of the North Island and would like to express my thanks to the team for the welcome and involving me in the tour. I would like to thank all those officials and players for their support and their organisation of events that they hosted during the year.

Obituaries

On behalf of all bowlers I extend our condolences to all members who have lost loved one's during the year. In particular I would like to mention David Milne from Buller who attended our AGM's from 2003 – 2014, Peter Bowden from Roskill and Districts who attended the AGM's in 2000, 2001, 2002, 2011 and 2012 and former NZIB Executive Member Stewart Chilton from Southland who served on the executive from 2008 – 2012.

International - Tauranga

New Zealand and Australia met at the Mount Maunganui Sports Centre, Tauranga and New Zealand defeated Australia 38-28 in a close and exciting encounter with Australia earning the respect of everyone. The Mat Blacks won six Australasian Medals and Australia five.

Thank you to the Tauranga Association and a team ably led by Mike Phipps that organised the venue and associated activities. Thanks also to the bowlers that turned up at the venue and supported the teams.

66th National Championships – Timaru

This event was hosted by the South Canterbury Centre at the Southern Trust Events Centre.

This year the Executive introduced new Master events for those over 60 years of age as a result of a survey conducted in Rotorua which indicated that this was something members would like to play in.

In the Open Event 290 players competed in the singles, 170 teams competed in the pairs, 115 teams in the triples and 95 in the fours. In the Master Events 95 players competed in the singles, 65 teams competed in the pairs, 30 teams in the triples and 25 in the fours.

The Tournament produced some memorable moments with firstly Grant l'Ami becoming the first player to win a second Gold Star for ten national titles when he and Mike Phipps from Tauranga won the pairs title back to back and then went on to win the fours as well. Grant Rayner, Paul Psaila and Teri Anderson, Auckland won the triples back to back the first team to do so.

Island Tour

This year the South Island toured the North Island and the districts that hosted the team and supporters in such a welcoming way are thanked. The South Island team built up an excellent team spirit on their tour and were great ambassadors for the game. Thanks to Nigel Warnes as South Island team and tour manager and David Lynn manager for the North Island team. Michael Lawson, Ashburton and Grant Harvey, North Taranaki were the team captains. Smaller districts seemed to value the tour game more than some of the larger and

it was disappointing that more districts did not take the opportunity to use the Touring team in promotional type activities. Coach Driver and Executive Member David Edgar was invaluable with his touring experience and Delwyn Hughes covered all the publicity issues well.

New Zealand Secondary Schools Event – North Wellington

The New Zealand Secondary School event was played for the eighth year and was held following the Junior Singles to take advantage of the Secondary Schools Tournament week. There were 38 colleges from throughout NZ represented. The feedback from this event grows each year. The importance of having the event scheduled on the NZ Secondary Schools calendar and having the entries coming through the school system is very important if the game is to survive in the future.

The Championships clearly demonstrated the worth of promoting the sport at school level.

65th Welch Trophy – Lower Hutt

North Taranaki won the Welch Trophy for the fourth time at Lower Hutt.

The team consisted of Grant l'Ami, Alister Wilson, Sean Ridley, Elizabeth Morrow, John Zittersteijn, Mark Ridley, Grant Harvey, Lindsay Willis and Aidan Zittersteijn.

North Taranaki had won three times before in 1980, 2012 and 2013.

A Gold Star was won by Grant Harvey who had won twice with Manawatu in 1998 and 2000 and three times with North Taranaki 2012, 2013 and 2015.

North Taranaki won a real cliff hanger and went into the final round of pairs just 1.5 points ahead of Canterbury. However in the final round of pairs they won three and drew one game of pairs to clinch the title while Canterbury scored one win.

Junior player Aidan Zittersteijn (15) played in the final session in place of Lindsay Willis who was unwell. Grant l'Ami won his sixth title, Harvey his fifth, Alister Wilson and John Zittersteijn their fourth, Sean Ridley, Mark Ridley and Lindsay Willis their third, Elizabeth Morrow and Aidan Zittersteijn their first.

Final Standings were: North Taranaki 108, Canterbury 99, Waikato 89.5, Counties 88.5, Upper Hutt Valley 82 and Otago 73.

Top scorers were: Grant l'Ami (NT) 13 wins, Teri Anderson (WK) 12 wins, Alister Wilson (NT) 11.5 wins and Sean Ridley (NT) 11 wins.

Henselite Champion of Champions Singles - Christchurch

Ashley Diamond from the Upper Hutt School Club in Upper Hutt won the national final. It was the second time an Upper Hutt Valley player had won this event. The runner-up was Grant Rayner from the Tawanui Club, North Wellington.

This win added to Diamond's magnificent record. He had previously won the 2014 National Singles, pairs in 2011 and fours in 2007.

Third equal were Tim Veale, Manawatu and Rodney Morris, Roskill and Districts.

The plate was won by Paul Smith, Tauranga.

Conclusion

The support of my executive members throughout the year has been very much appreciated. Nigel Warnes brings his valued experience to the table when discussing the issues that the game faces. David Edgar and Trevor Rayner, with many years of experience on the executive provide that in depth knowledge that keeps us focused on the issues that matter. David Lynn and our two new members, Graham Low and Michael Lawson have provided some fresh thoughts on what we could focus on for the future. I thank them all for their contributions at executive meetings and to the successful running of our events.

I must also acknowledge the input that our Executive Officer, Ngaire Drake has to the successful organisation of our sport. Her knowledge and understanding of the many and varied processes that we must comply with to be successful in today's environment, aligned with her great organisational skills ensures that we continue to be as successful as we are.

I would also like to acknowledge the efforts of all those Presidents, Secretaries and

Committee members who continue to administer the game in their respective areas and the contributions of the many Umpires and Coaches who continue to provide the support to the game in their districts.

Our development officers, Craig Whiteside and Michelle Watts continue to explore opportunities to introduce the game to new people, mostly in the Intermediate and Secondary Schools. While this may not always result in new members it does provide the opportunity to get into the community and hopefully we will eventually see some positive results. I thank both Craig and Michelle for their efforts.

It has been an interesting and rewarding twelve months. I look forward to continuing in this role and with the support of you the members seek ways to continue to sustain the game for the future.

UMPIRES REPORT

This is my second year as National Examiner and there was initially uncertainty about the process with the promised online, multi-choice theory exam being introduced. This unfortunately did not happen but will definitely be introduced next year. Hopefully this will result in a much easier process and more flexibility of when candidates are able to sit. The key to passing will remain being well prepared to sit the exam which did not happen in many cases this year.

2015 saw quite a drop in the number of candidates sitting in full or completing components they missed in 2014. There were 18 candidates from 9 districts with three of these combining to form one location. At the time I thought this was a good idea but in hindsight, as the results indicate, maybe not. There were two candidates completing a partial pass from 2014 and two gaining a full pass at their first attempt. Three gained local status and three measurers. Disappointing results with of the 18 only 7 passed the theory. 14 passed the measuring and only 5 passed the mat faults.

I felt this year the problem was an obvious lack of preparation for the theory. I know the exam is open book but the first objective is to decide exactly what the question is asking so you can go to the relevant section in the law book, eg. burned in motion or burned by something or someone independent of the game. Again the questions around measuring were not answered as well as they could have been.

My thanks to supervisors and their helpers for their assistance in a role that is not an easy one, in particular, the cheating for the mat faults. A DVD on mats faults will be produced at this year's National Championships. The purpose of this is to delivery of a clear and consistent message of what is required.

The new Umpires should be applauded and encouraged as they gain experience and confidence in their service to our game and its players.

Greg Veale

National Examiner

SPORT DEVELOPMENT REPORT

As the 2015 season starts to wind down and I look at the highlights of the year from a developmental point of view, I find little to get excited about. The apathy and ineptitude of the executives involved in the game causes the popularity of indoor bowls to swirl deeper into the mire. Success at a developmental level is measured in KPIs, key performance indicators, to determine outcomes and funding for the future.

The blueprint for success in development had largely been entrusted with me by NZIB to come up with a suitable plan to take the game forward through expansion of the game through schools, and of late the wider community. Like any successful building programme it was going to rely on building a sound base.

This required Districts to understand what NZIB was wanting to achieve and have the personnel to stand up and accept the challenge. The tools were strategic plans, the RSTs with the pathways into the schools and appropriate funding and the acceptance from schools that indoor bowls was a suitable alternate sport to offer to their pupils. From there Districts needed to take ownership of the programme established.

This clearly has not happened.

The highlights of the year are the increased number of participants at the AIMS games which grows in numbers each year. The handful of coaches, people like the Wilsons of Howick, Montgomeries of Holy Cross who turn up each week at their adopted schools to coach the pupils. The acceptance of colleges that previously did not want to participate in the programme.

The success of Somerville to take 1st and 3rd in the AIMS Singles and placed in the pairs to be third in the teams event, in only their third year in AIMS. Also the two fathers of the Somerville students joining a club with their sons to support them.

Working with the Central club in Timaru, a club largely made up of first and second year bowlers who embraced a few rigorous coaching sessions over a couple of weeks to improve the skills of their bowlers.

A young lady just arrived from Australia with her league-playing husband who was employed by Sport South Canterbury. She had never seen indoor bowls before, learnt the game in 3 sessions, made a set of ribbons for “Quickdraw” and was able to take over the role of facilitator at 3 Timaru district schools.

The formation of a Junior club in Pukekohe with 2 participating schools showing that 2 or 3 dedicated volunteers can make a big difference.

Other avenues we went down was with Auckland Leisure Centres trialing a programme and translating the New Bowlers brochure to Chinese and demonstrating the game at a Multi-Cultural day at the Buddhist temple in Flatbush.

The main highlight is seeing the enthusiasm and interest from the students who experience the game for the first time.

Finally I would like to acknowledge the tireless work that Robyn has put in as a volunteer. We have visited over 150 schools and coached over 12,000 students. In that time she has never missed a session and has been an inspiration to the students she has coached. Her work has gone largely unacknowledged with the misunderstanding that her position was a paid one.

The future of the game is in your hands. Development has to be a team effort if Indoor Bowls is to last as a sport. When we first went to school we learnt to put our hand up if we wanted to use the toilet. If you didn't put your hand up you "busted". What I have seen in my travels around the country is the game busting and very very few bowlers/administrators/executives putting their hands up....

Primary/ Intermediate Schools

Numbers increased this year with schools taking up the offer of sessions and then cluster tournaments for their students. We had thirty six schools involved and with 230 sessions delivered and some did their own interschool challenge without my involvement. We now have three cluster groups having mini tournaments after the sessions and then going on the memberships within clubs.

Taranaki Year 7-8 tournament in 2014 increased to 45 teams (90 students) and this year a larger venue was required to accommodate the 61 teams entered. Medals and a trophy were presented to Coastal Area School, Oakura School and Highlands Intermediate. An even larger entry is predicted next year. Who would have thought four years ago this region would be doing so well in schools and juniors?

Secondary Schools

New Zealand Secondary School 2015 – Increased numbers attending to 16 from last year's 9 and hopefully this will continue to grow for years to come due to plans and the structures that have been put in place over the last three years.

The Taranaki secondary school event also saw an increase in entries and in 2016 it will be even bigger due to using the TSB stadium with the financial assist of TSSSA. This will open up the event as previously numbers have been restricted. It is hoped to get close to 150 students participating.

After the 2015 event I received this lovely comment and hope more of these will come in:
Good Morning, I am a parent of one of the kids that competed at the NZ indoor bowls tournament in Wellington. I would like to say a big thankyou to Michelle Watt who came down and supported all the Taranaki Kids. She is a wonderful person and it is great to see her encourage all the kids when they play. We are very lucky to have someone like Michelle who

is dedicated to the sport and encourages the kids when they play. The kids love her charming and enthusiastic manner. It was my daughter's first tournament and she loved it and can't wait till next year's competition. Thanks Sport Taranaki!!! Meredith Bennett Hawera High school.

Whanganui Schools

I assisted delivery to Wanganui Schools for their first year of the programme with Wanganui Indoor Bowls volunteer Brendon Kenny. It is hoped the success of the Taranaki programme can flow on to Wanganui so they too can benefit.

Clubs

Memberships of the juniors in clubs have grown from twenty last two years to fifty this year within the two centres of Taranaki region.

NATIONAL PUBLICITY OFFICER'S REPORT

It is with pleasure that I present my report for 2015. I have again enjoyed my role and hope it has helped to carry Indoor bowls to a wider audience.

This year has been notable for the greater use made of computer programming to record events, provide post-section draws, etc. This has made my job easier, and has also enabled anyone interested to access the information quickly. I appreciate the efforts of everyone involved in developing the programmes and fine-tuning them.

There have been a number of highlights to the year for me, principally the International fixture at Tauranga. Not just the favourable outcome for New Zealand Indoor Bowls but in the way the whole contest was conducted. It was clear all the players were keen to succeed for their country and this enthusiasm at the highest level must have a spin-off elsewhere.

It was also a thrill to meet and interview the man behind the Henselite name, in Timaru. Mark Hensell was clearly impressed with what he saw of our sport and I know several of the news media were glad to have his story. I can see future benefits for Indoor Bowls in this country from his visit.

The Nationals themselves produced a number of highlights, including Grant l'Ami winning his second gold medal, and the Academy and Masters fixtures during the week. While these two events may seem an irrelevance they were enjoyed and respected by the players involved, who produced some exciting games and kept the tension going until the end. This sort of attitude is like gold-dust to a publicity person.

The publicity year finished with the usual flurry of the Mixed Fours, Paterson, Henselite, and Welch Trophy events, as well as the Junior Singles and Secondary Schools championships. Once again I was kept busy processing and feeding out the progress results and finals for both the districts and media. A number of media journalists contacted me for further information on events and players – proof that they are still interested in our sport, especially when it comes up with news-worthy moments.

I must also mention the AIMS Games, which are almost overwhelming in their scope. It is very satisfying to be involved in promoting and publicising Indoor Bowls at the Games, even though the numbers involved are a challenge to deal with. Fiona Wilson does a great job organising the sport.

I wish to record my thanks to all the DPOs and district secretaries who helped with information and results during the year. I hope all districts are happy with what was provided back to them.

I should also record my appreciation to Delwyn Hughes for her coverage of the South Island Tour and Inter-Island fixture in my absence overseas.

Finally my grateful thanks to Ngaire Drake and all members of the Executive for their help and co-operation.

Chris Bullen

WEBSITE REPORT

This was my first year in the Webmaster's role following on from Jock Jamieson.

The website has had one major addition to it this year, namely the addition of the live Facebook Feed, which allows non-facebook members to instantly view any updates made to the NZIB Facebook page. This was requested earlier in the year, when it was made apparent that a number of our bowls members wanted to be kept up to date with results, but weren't on Facebook, so couldn't join the closed group that exists.

This was taken a number of steps further, by NZIB introducing the Google spreadsheets which allowed anybody to view results in real-time. This is a big technological advance, and has been warmly welcomed by everyone who has used it. I know that I have received numerous compliments about it, and it actually makes it a lot easier for Controllers to run major tournaments, as it takes a lot of the manual work away.

The website needs to be kept current so please advise if you have difficulty finding information. My challenge is to find a better way to present images and also I am working on a new design.

NZIB VOLUNTEER OF THE YEAR AWARD

The 2014 winner of this award was David Bullock. David had shown great leadership as Canterbury IBA President over a very difficult 4 year period which had allowed their Association to continue to function in post- quake mode. The fact that they were able to retain their membership numbers was extremely creditable. The CIBA hall's major fire in September has meant even more work for David finding halls around the province and he has spent many hours with the necessary programming and controlling of events.

The 2015 winner will be announced at this year's AGM.

Independent auditor's report

To the Members of New Zealand Indoor Bowls Incorporated

We have audited the attached financial statements of New Zealand Indoor Bowls Incorporated, which comprise the statement of financial position as at 30 September 2015 and the statement of financial performance and statement of movements in equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

The responsibility of the Executive for the financial statements

The executive members are responsible on behalf of the entity for the preparation and fair presentation of financial statements in accordance with New Zealand Financial Reporting Standards issued in New Zealand by the New Zealand Accounting Standards Board, and for such internal control as the executive determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than our capacity as auditor we have no relationship with, or interests in, New Zealand Indoor Bowls Incorporated.

Opinion

In our opinion, the attached financial statements present fairly, in all material respects, the financial position of New Zealand Indoor Bowls Incorporated as at 30 September 2015 and its financial performance for the year then ended in accordance with New Zealand Financial Reporting Standards.

1. STATEMENT OF ACCOUNTING POLICIES

Reporting Entity

New Zealand Indoor Bowls Incorporated is an incorporated body promoting and administering indoor bowls in New Zealand.

General Accounting Policies

These financial statements have been prepared in accordance with generally accepted accounting practice in New Zealand.

Differential Reporting

New Zealand Indoor Bowls Incorporated qualifies for differential reporting concessions identified in accounting standards established in XRB A1, as it is not publicly accountable and it is not large as defined in XRB A1. All differential reporting concessions have been applied.

Measurement Base

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis are followed by New Zealand Indoor Bowls Incorporated, with the exception of certain items for which specific accounting policies have been identified. Accrual accounting is used to match expenses and revenues.

Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and financial position which have been applied:

* **Fixed Assets**

Fixed assets are stated at cost less accumulated depreciation.

* **Depreciation**

Depreciation has been provided for at a rate intended to write off fixed assets over their useful lives as follows:

	<i>Life</i>	<i>Rate</i>	<i>Type</i>
Computer & Video Equipment	3 - 4 years	39.6% - 60%	DV
Bowls	20 years	10%	DV

* **Income**

Capitation and affiliation fees are recognised when received.
Sport NZ funding is recognised on an accrual basis to match the funding period.

* **Taxation**

New Zealand Indoor Bowls Incorporated is exempt from income tax in terms of section CW46 of the Income Tax Act 2007, as a body promoting amateur games or sport.

* **Interest Received**

Interest income is recorded on an accrual basis.

NEW ZEALAND INDOOR BOWLS INCORPORATED
STATEMENT OF OTHER MATERIAL INFORMATION
FOR THE YEAR ENDED 30 SEPTEMBER 2015 (continued)

* **Sundry Debtors**

Sundry debtors are stated at their estimated net realisable value.

* **Goods and Services Tax (GST)**

The financial statements have been prepared on a GST exclusive basis.

Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.
