#### FROM THE PRESIDENT'S PEN

Greetings members, during the past weekend the NZIB Executive met in Wellington to discuss a manner of things relating to the development, sustainability and a better future for Indoor Bowls in New Zealand. At this meeting we considered the feedback we have received over the past few months, both internally and externally with a view to finalising the Indoor Bowls Strategic Plan. Once we have completed this exercise the Plan will be shared with the membership and in time, templates will be developed for Districts and Clubs to use or to modify for use in your own communities......'watch this space'. This is an exciting time for Indoor Bowls as we map out a better future for all.

#### FROM THE CONSULTANT'S PEN

Upon reading the article from the NGATEA Indoor Bowling Club below, it got me thinking about Gaming and Charitable Trusts, an amazing financial resource for sport and recreation in New Zealand. When was the last time you applied for a grant from these institutions? This SportNZ funding link has a search engine. I populated the search engine and there were 13 organisations in the Greater Wellington Region alone that local Clubs and Districts could apply to for BLUE and ORANGE bowls. I encourage you to search for your Club. <a href="https://sportnz.org.nz/get-into-sport/search-for-funding/search?status=6107&location=71&purpose=8106&cost=7101&funds=6602&action\_search=Search+Funding">https://sportnz.org.nz/get-into-sport/search-for-funding/search?status=6107&location=71&purpose=8106&cost=7101&funds=6602&action\_search=Search+Funding</a>

**Generosity NZ** is the largest digital search facility for funding information in New Zealand. They have created three search tools that connect people to funding opportunities. **givUS** offers access to more than 1,200 grants and schemes for communities, volunteer organisations, schools, groups, sport clubs and Iwi. Find financial assistance for nearly everything, including: Operational costs - Building redevelopment - Project based resources, every organisation has unique goals and needs.

More than 90% of councils subscribe to givUS on behalf of ratepayers, which enables FREE public access. For more information, contact your nearest library. <a href="https://generosity.org.nz/giv-us">https://generosity.org.nz/giv-us</a>

When applying for a grant,e ensure you complete all of the documentation accurately and 'tell a good story' Remember you will be competing with 100's of other organisations, and so you need your application to be compelling and to stand out. You will want to create a positive 'first time' impression too. In essence you are building a relationship that hopefully will last a life time, as you will want to go back to these organisations for support in the future...HOW MANY SETS OF BLUE and ORANGE bowls would you like????????

#### **CLUB 'BIAS'**

In our June newsletter we encouraged you to share with us any successes you may be having so that we in turn, could share with the wider "Indoor Bowls Family"

Coach Paul Sheary, from the NGATEA Indoors Bowls Club shared this with us...thanks Paul;

"Our Ngatea Club has grown over the last 12 months from 8 players per night to an average of approx 20 this year. Our best night was 29 players. This included 4 new players who have since moved out of the area.

After struggling for the last few years', it is good to see the Ngatea Indoor Bowling Club grow the membership.

We have run a business house tournament for three years now, raising funds for the St John Ambulance.

This year we raised \$868 for St Johns. We had a total of 18 teams entered in the 'fours' team event. The business community was fully supportive and provided supper and many prizes. This year we have gained at least two new members from this event.

We canvassed the town for donations and after the event, we personally visited these companies and individuals to advise the outcome. All were emailed the results of those who participated and/or only gave donations. A few businesses could not make up a team however gave a donation....it was pointed out to them that the club would fill their teams with club members so they could take part in the event.

Last year we bought two sets of new bowls (BLUE and ORANGE); funding was supplied by the Trillion **Trust**... <a href="https://www.trillian.co.nz/">https://www.trillian.co.nz/</a> This year we purchased another two full sets and four kitties with funding from **Grassroots NZ**. <a href="https://www.grassrootstrust.co.nz/">https://www.grassrootstrust.co.nz/</a>

We feel that these new bowls have helped revive the club as they are more visible to the players over the old colours.

Ngatea Indoor Bowling Club has started a website with Sporty NZ and we send newsletters out weekly to our members with nightly results and upcoming events." <a href="https://www.sporty.co.nz/ngateaindoorbowlingclub">https://www.sporty.co.nz/ngateaindoorbowlingclub</a>

#### **CENTRE 'BIAS'**

Diane Jenkins Executive/Development Officer **Southland Indoor Bowls Centre** saw an OPPORTUNITY and maximised it...well done Diane and thanks for sharing.

"We had a class of Yr 11 students from Southland Boys High School come to the Centre to try out a sport new to them. We ran through the basics of the game with them and then sent them off to play pairs against their mates. The volume went up and their competitive spirits came to the fore. At the conclusion of the session I asked them who thought they were going to be bored when they heard they were coming to indoor bowls – they all put their hands up. Then I asked

them 'who found it boring?' only one hand went up, and he was just being a wee bit cheeky. Their energy was infectious and our volunteers really enjoyed interacting with the students. We usually try to get some action shots of school groups to post on Facebook, to help spread the indoor bowls word to FB users. The idea to throw a quick video clip together came about because they were so involved, having fun and our volunteers were having a ball too.

Imovies is a great app that allowed us to put the video together in no time and post to FB and tag? the school in it".

### Welcoming, Innovative, Community-focused, Engaging and Enterprising.

Last month we shared with you, from the UK, Sport Marketing Networks (SMN), TIPS for making your Club a GREAT Club...... *Is your club WICE(E)?* We sincerely hope that you have had a chance to look at the five key factors which will help you to grow and develop your sport and your Club in a sustainable way.

We now provide you with a *WICE(E)* Quick Check Form which follows below. This form allows you to rate your Club's current situation. The best way to utilise this form is for all committee members to independently rate your Club and then to share those ratings. Invariably you will find that not all ratings will be the same and therein lies valuable conversation within the committee that will lead to agreement to positive change...GOOD LUCK. Please let us know how you get on.
