### GOOD PROCESS GETS GOOD OUTCOMES AND LEADS TO SUCCESS

1. Commence by making a wish list of the things you would like grant support for
2. Check out the various Grant Agencies, read their criteria and gain an understanding of what they will fund; use the search engines to save time.
3. Match your 'wish list' with the appropriate Grant Agencies
4. When completing the Grant application, ensure you complete

all of the documentation accurately and 'tell a good story', you will want to create a positive impression.

5. A letter of commendation from your 'parent body' is advisable
6. Remember you will be competing with hundreds of other organisations and so you need your application to be compelling and to stand out. You are building a relationship that hopefully will last a life time, as you will want to go back to these organisations for support year on year.....**HOW MANY SETS OF BLUE, RED, GREEN and ORANGE bowls would you like?????????**
