

## *Hello Bowling Enthusiasts!*

### *The President's Lead*

"While many Clubs are taking a break over the Summer period, many are also keeping their doors open for year-round indoor bowls...WELL DONE. To all who have made it happen and provided your communities with an opportunity to get to know and enjoy our wonderful game, a big THANK YOU. At the end of the main season, is a good time to review the season and to look at what worked well and what we could do better with the view that 2020 will be an even better year. Don't forget to access our website and take a look at the toolbox, as there are tools that may help you and your Club grow...the planning process is a good starting point."

# Kevin's ROLL UP

## Kevin - Consultant

Nigel has touched on this time of the year as a good time to start planning for 2020. The Tool Box will provide you with a choice of templates for your one page Strategic Plan. Modify and change the templates to suit **your needs, your Club, your Community**. As part of the Tool Box we have recently added ACTION Plan templates for Clubs.

The **ACTION** Plan turns your priorities and goals into reality, by making people accountable for carrying out tasks within agreed timeframes and brings your Strategic Plan alive.

The templates are a guide only, modify and change to suit your needs. All of these 'tools' can be accessed here;

“Don't forget to use the **GUIDE** Notes for **GOOD PLANNING** the link is under **SUPPORTING DOCUMENTS**.....we look forward to receiving your own Club Strategic Plan in due course.”

# THE TEENAGE TUMBLE

In the absence of Club input this month I thought I would share with you a blog that was referred to me by a sporting colleague. It is titled, **THE TEENAGE TUMBLE...WHY TEENAGERS ARE LEAVING SPORT... A MUST READ** for ALL involved in sport; coaches, referees, officials, administrators and parents.

[http://newsportfuture.com/the-teenage-tumble/?fbclid=I-wAR0AdTwgny9ub2ZHjE\\_CpNHolbD\\_KiZJOKnEFvMzXnTF](http://newsportfuture.com/the-teenage-tumble/?fbclid=I-wAR0AdTwgny9ub2ZHjE_CpNHolbD_KiZJOKnEFvMzXnTF)

In this blog Coaching Guru, Wayne Goldsmith talks about why **TEENAGERS** are leaving sport **AND** what **WE** can do about it. I have had the pleasure of meeting and talking with Wayne Goldsmith a number of times and I rate him highly. Wayne Goldsmith is one of the most passionate, innovative, enthusiastic, energetic and experienced sports performance experts in the world. His coaching, thinking and teaching have influenced some of the world's leading athletes, coaches and teams.

## FUNDING GUIDE for GAMING TRUSTS and COMMUNITY TRUSTS

"Gaming trusts currently give grants of more than \$300 million per year to sporting, educational, health and arts groups, as well as other charities".

*Arguably the easiest way to get funds for your Club is to apply for a grant from either a Gaming Trust or a Charitable Trust, both are an amazing financial resource for sport and recreation in New Zealand. We touched on this matter in a previous newsletter. I am pleased to say that the FUNDING GUIDE can now be found in the Club Tool box. Please let us know how you get on, we would love to share your successes in our newsletter.*
