ANNUAL REPORT 2019

It is with great pleasure that I present to you the 71st Annual Report and Financial Statements for NZIB 2019

Obituaries

On behalf of all bowlers I extend our condolences to all members who have lost loved ones during the year.

Events

It has been another busy and successful year starting out with the New Zealand team having a hard-fought victory over the Australians in early May. Our congratulations go out to the victorious Mat Blacks team and the Southland District for hosting what could only be described as one of the best run International events that has ever taken place. A special mention must also go to Graham Low and his dedicated team.

The South Island Champs and the Henselite Singles were hosted by Canterbury this year and both were a great success. Well done Canterbury your new facilities and your hosting skills are up with the very best.

The Nationals were hosted by Bay of Plenty in Rotorua at the Energy Events Centre and once again turned out to be a wonderful event. With the holding of the Northern and Southern Academy and Masters, the District challenge and the local forum, made the Nationals a full-on event. I would say that the National event with the Masters included is once again turning into a great occasion for a holiday and a chance to catch-up with old friends and make new acquaintances. A special thanks must go to BOP and the many dedicated volunteers for the smooth running of this tournament. I look forward to seeing you all in Whangarei next year.

I would like to take the opportunity to thank all those Districts that hosted the South Island touring team this year. To those Districts that used the opportunity to help promote the sport in their area, well done, as this is just as important as the bowls themselves and is a valuable 'tool' when used in this way.

To Counties who hosted the North vs South match and the Welch Trophy this year, what a great effort and a special thanks to Matt and his hard-working volunteers for a brilliant job.

Another special mention must go out to all those people who give up their time and efforts to do the live streaming of these events. I know everyone is starting to rely on this for what is happening but am not sure they realize just how much time some people are putting into this and at what cost. And so, on behalf of everyone I would like to say thank you for bringing bowls into our homes and offices, keep up the good work.

This year we introduced the 1-5 Pairs and the Masters fours as something new. Although not everyone got behind this at the start, it did however turn out to be very popular with those that played in it and hopefully in the following years it will grow into something a lot bigger like the Masters at the Nationals. I encourage all Districts to get behind these events and hold some tournaments along the same lines in their areas next year, and to try and encourage new and different players out of the clubs and into the District scene. To Nelson who held the 1-5 Pairs and ran it themselves, what an outstanding result, thank you and to Roskill and Districts who hosted the Masters, another outstanding success and thanks to Ross and his team for their contribution.

Financial & Partners

The financial accounts for the year while showing that we have operated under budget, reflect a year end deficit of \$45,500. This is due mainly to a \$25,000 (54%) reduction in Gaming Trust funding and a \$4,369 (5%) decline in membership revenue.

We cannot allow these trends to continue as we move forward. A start has been made with the introduction of Kevin Wilson to the team; he brings 26 years of leadership and governance experience in the sport and recreation sector. It will be his job, along with your support to bring good governance and leadership to all Districts and Clubs, commencing with a NZ-Wide interactive-workshops early 2020. "If you fail to plan, you plan to fail" this is a fact. NZIB, Districts and our Clubs now have a Strategic plan for moving ahead. This is on the new website that was set up this year.

The new website is 'work in progress' and will be updated and modified as we move forward. We plan is to make this a key 'communications platform' for you our members, our partners and the public at large.

I would like to take the opportunity to thank all those who have provided us with support be it financial or in kind over the past 12 months. In particular I wish to acknowledge Sport New Zealand, our National Guardian of Play, Active Recreation and Sport system in Aotearoa New Zealand, who have provided guidance and wise counsel along with financial support for the game. I also wish to acknowledge our major sponsor Summerset who have once again been a key partner. Their support is greatly valued by all involved in Indoor Bowls... thank you.

The Gaming Trusts, the NZ Community Trust, Rotorua Energy Charitable Trust, and the NZ Racing Board also supported bowls with grants during the year. Henselite also continued their long standing association with the Henselite Champion of Champions event. Their support has made a difference and is greatly appreciated.

Looking to the future, the combination of the introduction of the Masters fours and the 1-5 Pairs along with hopefully the change in the way we collect affiliation fees will help the Districts go out to all the unaffiliated players and encourage them to renew their affiliation back to NZIB. An increase in participation from this group of players would have a far-reaching positive impact on the game. It would on the one hand help Districts with entry numbers and fees, while on the other, it would help NZIB with membership numbers hence making applications for funding and sponsorship easier with numbers on the increase. I'm sure more discussion on this will be had and I encourage all of you to think about this and look at a better way forward.

Tributes

A special tribute must be acknowledged this year to three long serving people who will be standing down at the conclusion of this season.

Ngaire Drake who has been the CEO and the hub of New Zealand Indoor Bowls for 27 years has finally decided enough is enough (I think really, she has just got 'Cruise Boat' fever). I cannot give her enough praise for what she has achieved over these years and how much extra effort she has put into our sport. She has been loyal, honest and above all dedicated to making the sport a success and on behalf of everyone we wish you well going forward and thank you from the bottom of our hearts for the time we have had from you.

Delwyn Hughes our publicity officer for 29 years is hanging up her keyboard and letting someone else have a turn. She has been inspirational and deeply informative in her reports and has kept us all up with the play as it has happened. Delwyn has offered to assist and pass on the information she has to whoever takes her job. This is of no small offer and shows the dedication she has given over the years. I know we will all miss her and wish her all the best. I'm sure this is not the last time we will hear from her and thank her on behalf of you all.

Paul Voorend who has been our Webmaster for the last 5 years and given his time freely to keeping it up to date. This is no small task and we thank you for the effort you have put in. We would all like to wish you well on your new endeavor's and hope all goes according to plan, thanks.

Executive Team

Lastly, to my Executive Team a special thanks must go to you. You are a dedicated Team committed to facing the challenges in our sport and coming up with a better way forward. I know that progress hasn't been as fast as we would have all liked, however if we stick to good process, guided by our new Strategic Plan, Indoor Bowls in New Zealand has a very good future.

Kevin's Roll Up

Thank you all for sharing your Indoor Bowls journey with me, the game has so much to offer...there is a better way forward.

Since becoming part of the Indoor Bowls Team early in the year, I have had the privilege to attend many events, including the nationals in Rotorua and to facilitate a number of workshops and attend meetings.

All have allowed me to get to know the game of Indoor Bowls better, however this has only happened due to the willingness and openness of many who have shared with me the indoor bowls journey, where you have come from, where we are and where we would like to be...thank you.

Work has begun on developing a better way forward for the game, starting with the development of Strategic Plans at national, regional and club level. The plans are aligned and provide for, on the one hand a consistent approach at all levels to planning while on the other allowing the regions and clubs to customize their plans to meet their own specific needs. Operational (Action) Plan templates have been provided too and will allow you to turn your Strategic Plans into action...good luck.

The new website has allowed us to develop a 'toolbox' a repository for resources that will assist us in growing our capability and therefore the development of the game. While early days we encourage all to make use of these resources.

We have also developed a new look newsletter, whereby we have featured a number of articles from the Districts and Clubs. Going forward we encourage you all to be more forthcoming in sharing what is working well for you. The power of the network of clubs and districts lies in the willingness to share with each other, after all we are one big FAMILY, a TEAM...Together Everyone Achieves More.

Over the past several months I have been hearing that we must change. That is a given not just for Indoor Bowls but for all sports. If we are to change that means those that govern and deliver the game, at all levels, must change their mindsets and the way in which they do things both internally and externally.

At the same time, we must be more in touch with our members...our customers, and potential customers. The choice for our customers has never been greater and after all, satisfied Indoor Bowlers are the game's best promoters of the sport.

In summary and as one who is new to the sport, I have been impressed with what Indoor Bowls offers. It is truly an inclusive sport, without gender bias and one whereby generations can play together even at the highest level. The many events I attended showed that the sport has many capable and experienced tournament administrators, umpires and officials leading to well-run events...well done TEAM.

The future is very exciting as Indoor Bowls has many unique offerings. The challenge for us all however is to ensure that the communities we serve have a greater understanding of where Indoor Bowls is played, what it offers and how the game may enrich their lives.

In conclusion, there is huge potential to modernise and rebrand and market the game. We that is NZIB, our Districts, Associations, Sub Associations, Centres and Clubs the "Indoor Bowls Family" ...the TEAM have the joint responsibility to 'create the communities' we serve....in the end we are only limited by our imagination.

New Zealand Secondary Schools Championships – North Wellington

The New Zealand Secondary School Championships was played for the twelfth year and was held following the Junior Singles to take advantage of the Secondary Schools Tournament week, it also had the approval of the NZ Secondary Schools Principals Association. There were 27 colleges from throughout NZ represented. The importance of having the event scheduled on the NZ Secondary Schools calendar and having the entries coming through the school system is very important if the game is to survive in the future.

The Championships clearly demonstrated the worth of promoting the sport at school level and there was great atmosphere throughout. The attitudes of the players were exemplary and many friendships developed.

DEVELOPMENT/ COACHING REPORT

2019 seemed to be a frustrating year when it came to coaching and it seems NZIB's desire to have some regional coaches is a long way from being a reachable goal.

There are some great things going on out there, but it appears that no one wants to go that bit further and look at reaching out to larger areas.

NZIB did run a workshop in Hamilton which was based on coaching as well as development. This was well supported both locally and from surrounding districts. It was pleasing to see that members from Waikato then ran a couple of different types of coaching sessions for local members.

Alex Reed took on a Development/ Coaching role in the upper part of the North Island. He had some success at attracting some new groups from both schools and from outdoor bowls clubs. He also visited some clubs that hadn't been great supporters of district events and looks like just by attending their club nights and offering some support if they wanted it has had a little bit of success. We need to remember that with development/ coaching it's not always about new players or school children, it's about all our current members as well.

In the Counties area, Michael McPharland continues to work with the schools and this year over 400 students have enjoyed his sessions. It is a credit to him and his helpers that he continues to show the desire to reach out to the schools and has the success that he does.

The South Island team attended three different development/ coaching sessions which were successful in their own way. In Tauranga they went to a school that was already involved with the Aims games and had a very enjoyable mix and mingle and played some bowls. In Waikato they went to a school and worked with some children that were new to the game and showed them the basics that are required for the game. Then in North Taranaki, they were at a session which involved them to play games with young and old players that were all in their early years of our game.

North Taranaki have also taken on Michelle Watt in a new role. It is great to see a district look at trying something new and we are sure that with her passion for the game, Michelle will continue to build on the work that she has already done in schools in the area.

Down in Balclutha, Peter Carnie ran a different type of workshop that was again well attended. The workshop was based on different types of skills required and had those that attended move around several different types of skills and activities.

NZIB understand there will be many other activities going on and would love to hear about them all.

For now, we say thank you to all the club and district coaches and their many other helpers around the country.

NATIONAL PUBLICITY OFFICER'S REPORT

Another busy year has come to a close with all events covered for the news media and district publicity officers. This included previews, progress at the events and wrap ups at the conclusion. These were posted on Facebook and on the Website.

All events were covered with Google Spreadsheets on Facebook and through the Website – bowlers expect this to happen for all fixtures now.

This and the live streaming of events has raised the profile of our sport with people watching from all over the world. Members expect Live Streaming of events and it is looked forward to and expected and when it is not available – disappointment is expressed. Thanks to Alex Reed for his outstanding leadership with this and also to his band of commentators and associates.

The Summerset National Championships were very successful but because we now have two divisions Open and Masters it is almost like covering two events with two lots of qualifiers etc. History was made with Grant l'Ami winning his fifteenth title and third Gold Star and Lorraine Phipps earning her first Gold Star.

The International was an outstanding success with Graham Low providing me with excellent information to enable me to report on the event from home.

The Paterson Trophy weekend is still a big challenge to cover but all zones provided someone to fill in the Google Spreadsheets that kept bowlers up to date. I was able to do my reports from the information they provided. We now have people that are familiar with doing this throughout the country and we thank them for giving up their time to assist us.

The South Island's team of the North Island was excellent with the team participating in promotional events at schools and at Ngatea. They were an excellent group of players to travel with and were wonderful ambassadors.

The Welch Trophy, a premier event, still attracts enormous interest and this year was nail biting. All districts aspire to win their Paterson Trophy and get to compete at this level.

Photos at events attract a lot of interest and add to the story. These are used by newspapers when someone in their area won a title.

The newsletter has changed this year but I would like to thank Ngaire Drake for her assistance over the years and all the work she has done for our Sport.

I would like to thank the Executive Members, and District Publicity Officers for their support during the year. It has been a pleasure to be the national publicity officer again.

With the future being restructured, I would like to say that I have enjoyed my many years doing publicity and the opportunities that it has given me to meet people all over New Zealand.

Delwyn Hughes
Publicity Officer

WEBSITE REPORT

The NZIB website remains a valuable resource for information and a crucial first point of contact for the NZ Indoor Bowls community and potential new enthusiasts. The Executive had previously identified the need for a refreshed appearance for our website and a new version was launched during the current year.

The Executive was keen to take advantage of improvements in the technology and tools available in this sector but also used the opportunity to revise and enhance the presentation of much of the extensive detail that existed in the previous site.

The revamped website continues to be a 'work in progress' with new content be added on a regular basis. Your Executive is currently developing an option to 'map' all clubs in the country including a link to Google Maps showing the location of the club and contact details for any prospective members. New information is regularly added to the District and Club Toolkits to assist with growing the sport in all regions.

Our grateful thanks are extended to Paul Voorend who recently tendered his resignation as Webmaster after many years of valued service ensuring content on the previous website was maintained in a timely manner.

NZIB VOLUNTEER OF THE YEAR AWARD

Colleen Fenton was the winner of the 2018 Award and she was presented with her trophy at the AGM. Colleen had always been actively involved both with playing at Island representative level as well as all levels of administration in South Otago. She is very astute in accounting and management and has been South Otago's Treasurer for over 20 years. With her great organisational skills she was always willing to volunteer for extra work as well as coaching new players and giving encouragement to all members.

A special award for outstanding service to the game was awarded to Alistair Graham for his work in the Canterbury bowling hall organising mats, bowls and scoreboards. At the AGM David Bullock accepted the award on his behalf.

The other nominations were also of high quality and were acknowledged with a certificate. All districts are again asked to give some recognition to their volunteers by nominating them for this award.

New Zealand Indoor Bowls Strategic Plan

2019-2024

Our Vision: More participants of all ages playing and enjoying indoor bowls and having a life-long love of the game

Our Purpose: Building communities through indoor bowls

Our Values: Best practice in all we do

Openness and transparency

Wholistic approach to the game

Lead by example

Serving the needs of our members, partners and communities

OUR FOUR KEY PRIORITIES OF OUR STRATEGIC PLAN ARE

PARTICIPATION

More people of all ages and cultures playing indoor bowls

PARTNERSHIPS

A strong, unified, aligned and sustainable Indoor Bowls brand

PERFORMANCE

Development of players, coaches, umpires, officials and administrators

PEOPLE

More volunteers supporting indoor bowls at all levels both on and off the 'mat'

OUR STRATEGIES

1. Work alongside Clubs and Districts to develop a participation plan that caters for all ages and stages, social and competitive players and cultures

2. Develop resources in conjunction with Districts to support Club development and the sharing of best practice, accessible to all

3. Use technology and social media to 'spread the word' and promote the game

4. Acknowledge the key role Clubs play in attracting players and engaging with their communities

1. Develop a partnership engagement plan that includes clubs and districts as well as external partners

2. Cultivate new partnerships that support the growth, development and profile of indoor bowls

3. Develop a sustainable model that is best practice and maximises member, partner and community partnerships

4. Acknowledge our members and partners in an appropriate way

1. Develop player, coach, umpire, official and administrator pathways and the relative resources, accessible to all

2. Develop a series of events and competitions at district, national and international level

3. Develop clear linkages between club-district, district-national and national-international

4. Acknowledge high performance results

1. Develop a volunteer plan that will enhance recruitment, retention and the development of volunteers

2. Develop resources to support the development of volunteers at all levels: clubs, districts and national

3. Develop a website-based volunteer 'tool-kit' accessible to all

4. Acknowledge the importance and value we place on volunteers
