NATIONAL CHAMPIONSHIPS

The 2004 Lion Foundation National Championships which were held in Taupo have been and gone. The week was very successful. Once again my thanks to everyone who contributed to any part of running the event. I would say that the allocation for the 2007 event will be a very interesting one.

During the Nationals I conducted a survey about the event. I have had a very good response to the survey from those who attended the event. The next part of this strategy is to gain the feedback from those who could not be at the event for whatever reason. This survey has been sent to all district secretaries. If you have and would like to provide some feedback on the Nationals please contact your district secretary or send to National Office by 20 August. Remember - Nothing comes out of doing nothing

FROM MARKETING & DEVELOPMENT MANAGER

Shane Cuthbert- NZIB President

There were many highlights during the National Championships in Taupo both in the qualifying and post section of each event. The marketing team concentrated on making available a number of vouchers and spot prizes to all players. We hope most players and spectators took full advantage of what was offered.

It is reported that 560 free swims were enjoyed and I handed out close to 1000 discount or free offer vouchers during the week. Spot prizes both large and small were handed out and recipients were very pleased. 10 free entry fees for Wanganui and entry fee reimbursements to those in the last 16 heightened awareness and sparked positive reactions. The marketing team will now focus to maximizing

profile opportunities during the South Island Indoor Bowls tour, membership growth and sponsorship possibilities.

Once again I am asking for your help and feedback with these objectives. Please share your ideas with me on ksetternzib.hotmail.com or phone direct on 021-500659.

SOUTH ISLAND CHAMPIONSHIPS

Southland Triples Success.

At this year's South Island Champs held in Dunedin a Southland Team achieved a remarkable success. The Southland team of Grant Fortune skip, Brent Keen second and Ian Guildford lead won the Triples Championship. Brent being only 14 years of age and lan at 17 are now the youngest players to have won an Island Championship.

The previous youngest player to win was the team's skip Grant Fortune who at age 22 won the Pairs at Marlborough in 1989. The team lead on that occasion was Shirley Turner, Brent Keen's mother.

The year has continued to be good for Grant having recently obtained his Gold Bar to his Gold Star with his tenth Southland Championship win.

NEW ZEALAND MIXED FOURS FINALS

There will definitely be a new champion team this year, as last year's winners Pat Hoult, Neil Semple, Lisa Hoult and Sylvia Leck (Upper Hutt Valley) did not win their District play off. The following teams will be competing in the National Final in New Plymouth on 24 July.

Northland- Dave Ross, Peter Sole, Phyliss Cooper, Janet Sole

Waikato-Darryn Bell, John Frelan, Gayleen Bell, Julie Logan

Wanganui-Gavin Scrivener, Lindsay Bourne, Maria Klitscher, Shelley Scrivener

Hawkes Bay-Rod Fleming, Sue Fleming, John Nesbitt, Julia Boyd
